HEALTH PROFESSIONS STUDENT CENTER

2019 HEALTH PROFESSIONS EXPO

This is a great opportunity for students who are exploring health career options and for those who are preparing to apply to a health profession program.

- Discover what different programs and schools have to offer.
- Network with admissions representatives.
- Learn about ways to develop a stronger application.

We welcome all students, undergraduate, graduate, and alumni who are interested in attending. Attendance is FREE!

WEDNESDAY, MARCH 27
